

# PROJECT MILK - WISCONSIN to PERU

Father Joseph Walijewski opened Casa Hogar Juan Pablo II Orphanage near Lurin, Peru, 20 miles outside of Lima in 1986. Although Fr. Joe passed away in 2006, the orphanage continues the tradition of loving service to the children under the guidance of Fr. Sebastian Kolodziejczyk who has been the Director since 2000. The children at Casa Hogar receive an education through the efforts of tutors who fulfill the role of parents, giving the children guidance in their day-to-day lives. Once they reach adolescence, the boys and girls are separated for high school.

The girls are taught trades such as baking, sewing and cosmetology, while the boys learn trades such as electrical work and carpentry.

To assist Casa Hogar Juan Pablo II in helping the children living in Peru, the Rural Life Committee, under the direction of the former Office of Justice and Peace of the Diocese of La Crosse, started Project Milk in 1984. The project's two-fold purpose is to provide milk for the children at the orphanage and the surrounding Peruvian neighborhoods, and to raise awareness of the economic difficulties of our dairy farmers in western Wisconsin.

Because the collection and disbursement of funds, and the processing and shipping of the milk are overseen by the Office of Ministries and Social Concerns here in the Diocese of La Crosse. Your donation goes to the purchase, preparation and shipment of the milk with *no "administrative" costs*. It is your continued support of this project that makes these shipments possible. Thank you and may God bless you!

*Please return the following form with your donation.*

Use this donation of \$ \_\_\_\_\_ to help send Wisconsin milk to Father Sebastian in Peru so he can help feed the hungry children.
